

The New Way of Leisure ...

Floating Houses Project®

A Floating Houses Project® consists of the complete jetty including 12 fully equipped 'Aqua Vive XL Upperdeck' House Boats.

The jetty is also equipped with 24 boxes for larger sail and/or motor boats.

We deliver a Floating Houses Project exclusively on the basis of 100% Turn-Key, ready for use.

The New Way of Leisure ...

Layout of the Aqua Vive House Boat. The 'Aqua Vive XL Upperdeck' is the same in terms of layout. Both terraces are larger then the standard version.
